#### Vehicle:

1. 2003 White Nissan Altima (Bearing OH reg. HMW 6869)

I was patrolling Lawrence Street near Washington Street and observed the listed vehicle traveling southbound on Lawrence Street from W. Washington Street. This vehicle was observed to not have a working license plate light. I initiated a traffic stop and made contact with vehicle operator, Jaime Leon Carrillo. Jaime was advised the reason for the stop and asked for his drivers license, proof of insurance, and vehicle registration. Jaime was notice to have broken English and was very hard to understand. Jaime advised the vehicle belonged to his uncle, Jesus Carrillo, and provided the vehicle insurance and registration to me. Jaime further issued me a Mexico drivers license and an USA Visa. In looking over these documents, both were found to have expired. The USA Visa expired in 2014. I asked Jaime if he had an United States identification or valid drivers license, with him advising "No".

I later ran the vehicle through LEAD's and found it to be owned by Jesus Carrillo, having a Norwalk Ohio address. Due to Jaime not having any valid identification and the possibility he was in the United States illegally, contact was made with Border Patrol, who advised they would be enroute. I further had Jaime exit the vehicle and asked for consent to search his persons. Jaime granted the same, with nothing illegal being found. I advised Jaime he was being detained, due to the listed reasons and secured him into the back seat of cruiser S 7. It should be noted, Jaime further gave me consent to search the vehicle, also with nothing illegal being found.

In speaking with Jaime further, he told me he was in the country illegally. A short time later, Border Patrol Agent Chavez arrived on scene. I advised him of what information I had, with him further speaking with Jaime. Agent Chavez also spoke with Jaime's daughter, who also showed up on scene.

Agent Chavez confirmed Jaime was in the county illegally and took him into his custody. He was secured into the back seat of his vehicle and later taken to their facility.
